

Option: brushed chrome trim attachment  
Model: RDL-BCTRIM

### Features

- Only consumes 10W of power
- 3 colour adjustable
- No downlight canister required
- White trim (optional brushed chrome trim attachment available)
- Supplied with 2 pin AC plug and cable

### Applications

Ecoglow's LED downlights are a direct replacement for halogen downlights. This product is easy to install and will work with most trailing edge or universal dimmers. The 10W LED Panel Downlight is designed so there is no requirement for downlight canisters to be used with this product.

Part no.	RDL-1090-3C		
Power (W)	10
